

A Note from the Pastor

Thank you for visiting our Stewardship 2023 page. Below you will find a variety of resources to help you discern your level of support for St. Bernardine Church this year.

We invite you to learn about our recent accomplishments, as well as some exciting plans for the upcoming year in our <u>Mission Video</u>. There you will see our progress regarding our three priorities of worship, evangelization, and community engagement. You will also hear our announcement of the ASCEND program, which is a new partnership with the University of Maryland Medical Center to bring workforce development and community educational programs to the Edmondson Village neighborhood.

You'll also find our <u>Year End Financial Report</u> for the fiscal year ended 30 June 2023. The report explains our finances for the year just ended, as well as the budget for the coming fiscal year. It provides a good basis for understanding our stewardship needs as laid out in both the <u>Stewardship 2023 Letter</u> I've sent to all registered parishioners and the <u>Stewardship 2023</u> <u>Video</u>. If you use online giving, you'll also see <u>Online Giving Instructions</u>, as well as an <u>Online Giving Video</u>, which walks you through changing your offertory and capital campaign gifts for the new year.

Thank you for supporting the ministries of St. Bernardine's. May God bless you richly for your generosity.

Fr. Rich
